WOODS CHARITABLE FUND AWARDS GRANTS

Woods Charitable Fund, Inc., a private grant-making foundation, today announced the approval of new and renewal grants in Lincoln, Nebraska totaling $211,500, as the final of three grant cycles this year. Twelve tax-exempt organizations will benefit from these awards (BELOW).

Pam Baker, the Fund’s Executive Director, noted that, in light of recent incidences of families leaving teenage children at Lincoln and Omaha hospitals under Nebraska’s Safe Haven law, second-year support for Families Inspiring Families, a group that provides peer support and advocacy for families whose children have emotional, behavioral and/or mental health issues, may be a resource that can help families in need should the scope of that law be changed in the upcoming special session of the Legislature. “Also,” she said, “the work that Family Service, the Northeast Family Resource Center, Lincoln Medical Education Partnership and the Indian Center are continuing and expanding with Woods support will contribute to family health and the well being of children and youth in Lincoln.”

Woods Charitable Fund, Inc. makes grants three times a year to tax-exempt organizations seeking funding for programs in the areas of Human Services, Civic & Community, Education, and Arts & Culture, as well as programs and initiatives designed to assist new Americans in Lincoln. For more information on funding guidelines, call 436.5971, visit the Fund’s website at www.woodscharitable.org, or write to either Pam Baker, Tom Woods or Angie Zmarzly at P.O. Box 81309, Lincoln, NE 68501.
