WOODS CHARITABLE FUND APPROVES $373,000 IN GRANTS AT MARCH MEETING

Woods Charitable Fund’s Board of Directors approved grants totaling $373,000 to 15 tax-exempt organizations during its March grant cycle.

The largest percentage of the granted funding – 34 percent – will support five Human Services organizations serving Lincoln and Southeast Nebraska. Additionally, 27 percent will aid Arts & Culture projects, while 24 percent supports Civic & Community organizations. About 14 percent of the awarded funds will go to other types of nonprofit organizations, and 1 percent supports an Education program.

Three of the grants, totaling $125,000, support organizations as they undergo renovations or develop a new location. The Bridge Behavioral Health and Lux Center for the Arts have received grants to support two positions as they renovate their buildings in the upcoming year. Additionally, Nonprofit Hub Foundation has received a grant to support development of a co-working space in downtown Lincoln for use by nonprofit associations.
