WOODS CHARITABLE FUND APPROVES OVER $320,000 IN GRANTS AT MAY MEETING

Woods Charitable Fund’s Board of Directors approved grants in its spring grant cycle totaling $324,000 to 15 tax-exempt organizations at its May meeting.

Nearly half the organizations receiving grants in this cycle support Lincoln’s multicultural organizations, provide programming to benefit New Americans or share the history of Lincoln’s multicultural residents. Lincoln Public Schools will receive grants over two years to provide programming with community partners for its Family Literacy families; a grant to Lutheran Family Services supports staffing to assist its refugee resettlement work; and the Cultural Centers of Lincoln will receive operating funds for its coordination with five Lincoln centers.

The largest percentage of the granted funding – 55 percent – will support Education projects. Additionally, 20 percent of the grants benefit Human Services programs, 13 percent fund Civic & Community agencies, and 12 percent are for Arts & Culture organizations.

Woods Charitable Fund makes grants twice a year to tax-exempt organizations seeking funding for Lincoln-focused programs in the areas of Human Services, Civic & Community, Education and Arts & Culture and through its Breakthrough Initiative Grant program. It has granted more than $100 million since its inception in 1941.
